SIGNATURE AND CONFIRMATION OF UNDERSTANDING OF 404 REGISTRATION RULES

The Association of Citroen Enthusiasts (ACE) is an approved motor club for the purposes of concessional (404) registration. ACE members can apply for concessional registration if they are a confirmed financial member. WA law requires holders of 404 registration to remain financial members of approved motor clubs. Law requires ACE to notify the Combined Motor Clubs (CMC) if you do not renew your membership or fail to remain financial within club guidelines, CMC will in turn notify the WA Department of Transport and your vehicle will no longer be registered and may also no longer have insurance. It is the member's responsibility to remain financial and keep contact details current, however ACE will send reminders where possible.
